

PORFTOLIO WEBSITE — USER MANUAL

1. ZIP Download Karne Ke Baad Folder Kaise Use Kare

ZIP extract kare. Extract hone ke baad “project-folder” automatically set hota hai jisme index.html, package.json, assets folder aur src folder hoga. User ko kuch manually create nahi karna hota.

2. Project Ko Local Computer Par Kaise Run Kare

Step 1: Node.js install kare (nodejs.org se).

Step 2: Project folder me terminal open kare.

Step 3: Run kare: **npm install**

Step 4: Website locally chalane ke liye run kare: **npm run dev**

Terminal me jo URL milega (jaise <http://localhost:5173>), usko browser me open kare.

3. Images / Resume / Project Pictures Replace Kaise Kare

Profile Photo: /assets/profile.jpg replace kare.

Resume: /assets/Resume.pdf replace kare.

Project Images: /assets/project1.jpg, project2.jpg, ... replace karein.

Filenaam same rakhein.

4. Naam, Email, Details Kaise Change Kare

Name & Role: Hero.jsx, Navbar.jsx, Footer.jsx me edit kare.

Email: Contact.jsx ke mailto aur display email dono jagah badle.

About Section: About.jsx me description, skills aur quick facts edit kare.

Projects: src/data/projects.js me title, image aur link set kare.

5. Theme Colors Kaise Change Kare

Theme colors set hain src/index.css me:

--bg (background color)

--neon (primary color)

--neon-2 (secondary color)

Yaha apne colors replace karein aur poori website ki theme change ho jayegi.

6. Website Ko Online Deploy Kaise Kare

Vercel:

1. vercel.com open kare
2. GitHub project import kare
3. Build Command: npm run build
4. Output: dist
5. Deploy

Netlify: Same process — Build: npm run build, Publish directory: dist

7. Common Problems & Solutions

Images nahi dikh rahi: File naam same rakhe + /assets/ folder me rakhe.

Themes apply nahi ho rahe: Browser cache clear kare (Ctrl + Shift + R).

Email nahi open ho raha: System me email app installed hona chahiye.

8. Quick Checklist

Name Change → Hero.jsx, Navbar.jsx, Footer.jsx

Email Change → Contact.jsx

Profile Image → /assets/profile.jpg

Resume → /assets/Resume.pdf
